Washroom Advertising Opportunities

We make poster-sized (11"x17") ad space available in our public washrooms, over the sinks and in the stalls. These are highly visible areas, and offer a somewhat captive audience for your promotional message.

\$100/month for the mirror placement in both washrooms

\$75/month for one half the stalls in the washrooms

\$120/month for all the stalls in the washrooms

\$200/month for all the stalls and the mirror site in the washrooms

For more information please contact:
